ORDER

Presently before the Court is Plaintiff's Motion to Reopen/Refile Civil Action Nos. 02-4668 and 02-4871 and accompanying Declaration in Support of Request to Proceed *in forma pauperis*. By Order dated July 22, 2002, the Court denied without prejudice Plaintiff's Motion to Proceed *in forma pauperis* in the above-captioned actions because Plaintiff failed to provide an inmate trust fund account statement for the entire six-month period preceding the receipt of his Complaint in this Court as required under 28 U.S.C. § 1915. As a result, those cases were closed statistically. Plaintiff now moves to reopen and refile those cases and attaches his inmate trust fund account statement for the previous six months as well as a statement attesting that he has insufficient funds to proceed.

According to the Complaint, Plaintiff asserts a claim under 28 U.S.C. § 1983. Upon review of the lengthy statement and various documents submitted by Plaintiff in support of that claim, it appears that Plaintiff's children are in the custody of Children Youth Services while Plaintiff and his wife are incarcerated. The crux of Plaintiff's allegations under § 1983 rest upon statements allegedly made by the child care workers overseeing his children's care. Specifically, Plaintiff alleges that the child care workers defamed him in telling his son that he was not the

child's father.¹

Even assuming *arguendo* that the statements made by the child care workers were defamatory, Plaintiff has not alleged an action under § 1983 for a violation of the Constitution or any federal right. Rather, Plaintiff alleges a cause of action under state law. Accordingly, Plaintiff's Motion to Reopen/Refile and an accompanying Declaration in Support of Request to Proceed *in forma pauperis* will be denied because Plaintiff does not state a cause of action within this Court's jurisdiction. Thus, the above-captioned actions will be dismissed, regardless of whether Plaintiff pays the filing fee, pursuant to 28 U.S.C. § 1915(e)(2)(B)(ii), which states: "Notwithstanding any filing fee, or any portion thereof, that may have been paid, the court shall dismiss the case at any time if the court determines that— . . . (B) the action or appeal— . . . (ii) fails to state a claim on which relief may be granted."

AND NOW, this 5 day of September, 2002, upon review of Plaintiff's Motion to Reopen/Refile Civil Action Nos. 02-4668 and 02-4871 and accompanying Declaration in Support of Request to Proceed *in forma pauperis*, **IT IS HEREBY ORDERED** that Plaintiff's motion is **DENIED**.

¹In papers submitted by Plaintiff, Plaintiff represents that the child care workers requested that DNA testing be done to determine the child's paternity. Although Plaintiff did not expressly disagree to such testing, he did request damages should he be determined to be the child's father. Plaintiff was determined to be the child's father.
